She runs for two days straight without stopping—until she ends up crashing right into Luther Knight's arms.

The Knight pack has five men, bound by their loyalty to each other, with Luther being their alpha, the strongest of them all. He knows what it's like to be at the mercy of the human hunters and has vowed to kill all humans on his lands.

With Lucia in his arms, he knows she belongs to him, and not only does she belong to him, but she is the female for all of them. Even with the danger that surrounds them, they know what they want, and Lucia feels it, too.

However, the humans are closing in, and Luther's desire for revenge, his need to kill every single one of them, grows.

When Lucia says it's her or the hunters, she is shocked when he tells her he doesn't do ultimatums and walks away.

The hunters are close. Will the Knight pack make it out alive, or die at the hands of the monsters intent on abusing them?
